

Donation Ideas for Groups

Most residents of Missions Inc. are with us for a few days to two years. Our goal is to equip residents with the tools they need to pursue safe, independent, and stable lives. We support that goal by providing basic items to make their next dwelling place a home.

Please help us reach our goal of collecting **100** transition kits by December 31, 2018.

You Can Help

Your family, club, company, or group can make any combination of these five types of transition kits.

Housewarming kits (\$50 estimated value)

- Reusable grocery bag
- Set of dishes
- Set of flatware
- Pans
- Dish soap
- Paper towels
- Disinfectant wipes

Cleaning kits (\$20 estimated value)
